

## ProFlake “Stone Series” Macro-1/4”

PFS-9307 Schist

PFS-9303 Pumice

PFS-9302 Phyllite

PFS-9304 Obsidan

PFS-9305 Garnet

PFS-9309 Basalt

- ♦ The blended color samples shown are only close approximations of the actual flooring system. For a more accurate value when specifying the actual system (i.e. single or double broadcast) and finish texture (i.e. standard, “orange peel”, or smooth), it may be necessary to request a physical sample from **ProREZ** to verify blend choice before installing.
- ♦ Custom color blending is available. Please contact a **ProREZ** technical representative for more information.
