Pheasant-PFX-318

- ◆ The blended color samples shown are only close approximations of the actual flooring system. For a more accurate value when specifying the actual system (i.e. single or double broadcast) and finish texture (i.e. standard, "orange peel", or smooth), it may be necessary to request a physical sample from **ProREZ** to verify blend choice before installing.
- ◆ Custom color blending is available. Please contact a **ProREZ** technical representative for more information.
